Neighborhood Feedback Wanted!

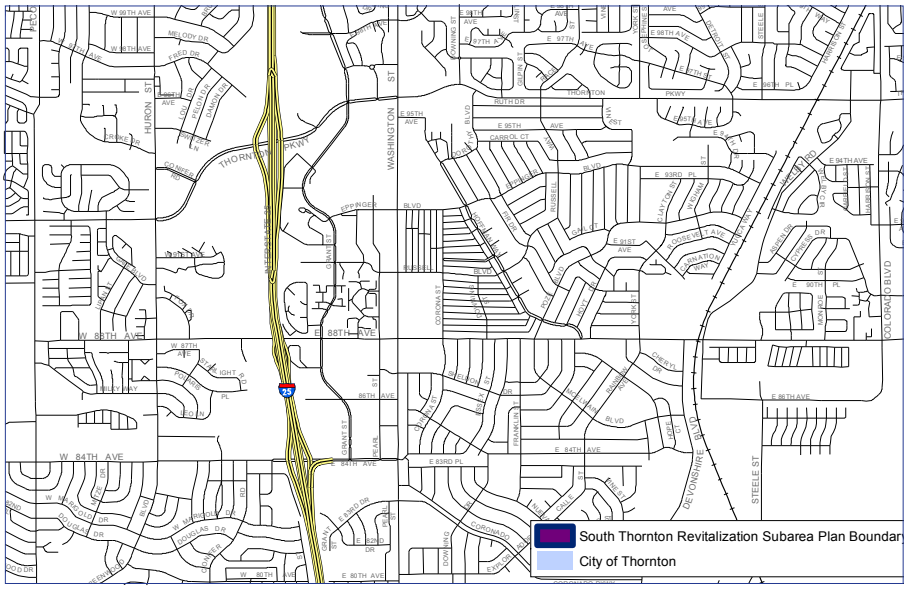
The Thornton Revitalization Advisory Board (TRAB) invites Thornton residents and property and business owners to attend a community meeting this summer to gather input about revitalization in south Thornton.

What do you believe will rejuvenate this area?

What will encourage stable home ownership?

What will re-ignite neighborhood economic development in this area?

What resources and facilities are needed?



Community Meeting Location

Wednesday, July 14 from 6-8 p.m.

Thornton Community Center, 2211 Eppinger Blvd., Thornton

This meeting is open to everyone and is accessible to persons with disabilities. If you require special assistance and are planning on attending this meeting, please notify the Neighborhood Services Division at 303-538-7600 at least 48 hours in advance of the scheduled meeting date.

For more information go to www.cityofthornton.net, City Development Department and then long-range planning.
