

PRESCHOOL PROGRAM MEDIA WAIVER/PHOTOGRAPH PUBLISHING POLICY

At times, different media groups (newspapers, television, public relations, etc.) will cover activities at the City of Thornton preschool with articles, video or still photography that may be published. In addition, the preschool program may want to include photographs in various artwork to be displayed in the preschool hallway.

If parents DO NOT want their child(ren) to be photographed or videotaped for news media or preschool purposes, please complete an "opt-out media form" that may be obtained from the preschool director. Simply complete the form and return it to the preschool director so the preschool has a record of your request that your child(ren) is NOT to be photographed or videotaped during class. **This opt out does not apply to other public programs, events or facilities.**

The City of Thornton preschool staff will make every reasonable effort to identify the primary subjects in photographs and to not publish preschool-related photos containing students on the opt-out list.

This form is effective for the current school year your child(ren) is registered for.
