**Hours/Shifts**

This can be a one-time or an on-going commitment. Hours are flexible and depend on volunteer's availability.

**Address:**

Volunteers are paired with a Thornton resident in need. Volunteers may choose to assist a resident closer to their home address.

**Qualifications:**

- Interest in assisting low-income, senior and/or neighbors with disabilities.
- Willingness to see community project(s) through to completion.
- A desire to make a positive impact in the community.

**Description:**

On occasion, the city receives calls from low-income, senior residents, and people with disabilities; requesting assistance with projects such as fence removal, painting, and yard cleanup. On a case-by-case basis, we are able to pair these residents with volunteers willing to complete projects. Many of these projects only take a few hours and your assistance can help make a direct impact on a neighbor in need. This is a great opportunity for families and other groups interested in giving back to the community.

**Application and Selection Process:**

Interested volunteers may contact Community Outreach at 720-977-5800 or outreach@cityofthornton.net.
