

New in town? Got boxes?

The City of Thornton offers a one-time only, **free pickup of cardboard boxes** used for moving as a courtesy to new residents who are City trash customers.

All boxes must be flattened and tied together. Packing material such as newspapers or tissues (NO styrofoam or bubble wrap) can be placed as tightly as possible in a couple of the boxes, however all remaining empty boxes must be flattened and bundled.

On the day of pick up all boxes must be out at the curb, in the gutter, by 7 a.m. Courtesy pickups are scheduled Mondays or Wednesdays depending on your address.
