The Thornton Arts, Sciences and Humanities Council (TASHCO) is committed to the education, promotion and participation of citizens through performing and visual arts, science and history.

The goals of TASHCO are to establish dynamic partnerships and sponsorships; make TASHCO a part of the city's

infrastructure to identify Thornton as a strong arts community; support, celebrate, encourage, recognize and present a variety of inspiring programs; and develop sound, consistent, and reliable funding sources.

Organizations supported by TASHCO:

- Thornton Community Band
- Thornton Community Chorus
- The Young Artists Alliance

THORNTON VOLUNTEER OPPORTUNITIES

WINTERFEST VOLUNTEERS

Special events and festivals are a fun way to get more involved in your community! Volunteers are needed for WinterFest, the city's most unique annual festival, to help set-up the elaborate displays, staff the TASHCO Tent, assist with performances at the North Pole Puppet Theatre, read children's stories or greet event attendees.

GROUP VOLUNTEERING OPPORTUNITIES

Do you have a service day coming up with your community, church or work group? We have opportunities available for your day of service.

Please visit volunteorthornton.com to learn more about these and other city of Thornton volunteer opportunities.

Snowbusters

SERVING THE CITY OF THORNTON

Be a Snowbusting hero!

Snowbuster volunteers make an incredible difference in the lives of low-income, disabled and senior residents who cannot otherwise arrange to have snow removed from their sidewalks and pathways.

Through an application process, Snowbusters are assigned a resident within a two-mile radius. Every year there is a waitlist of residents in need of assistance.

This year, enjoy the season by becoming a Snowbuster and helping a neighbor in need.

Apply online at <https://formcycle.cityofthornton.net>.

For more details or referrals to low-cost snow removal services, please contact Jesse Jimenez at 720-977-5881.

VOLUNTEER APPRECIATION EVENT

The city of Thornton has over 265 active volunteers donating their time in 30 programs; across eight departments. In 2017, volunteers gave over 17,000 hours to city programs. Keep an eye out for an invitation to our annual volunteer recognition event!

If you are not registered and are currently volunteering, please contact Jesse Jimenez at 720-977-5881 to make certain that you receive an invitation.

Thank you for all you do!
